

2015 Ehrenfelser

Tropical aromas lead to eye-rolling layers of freshness and richness with notes of apricot, white peach, honeysuckle, and gooseberry. Lovingly known as the “hot tub” wine by its fans.

Winemakers Notes

A blend of fruit from Summerhill Vineyard in Kelowna and Nk'mip Vineyard in Oliver. A cold stabilized stopped fermentation leaves unfermented grape sugar to balance the natural acidity and carry the vibrant fruit character through the length of the palate.

Food Pairing

This will be a perfect accompaniment to Thai Green Curry, Sushi or picnic sandwiches. But, as the nickname suggests, will be greatly enjoyed in the hot tub or in a casual social setting with or without food.

Technical Notes

Total Acidity: 5.0 g/L

Residual Sugar: 26.5 g/L

pH: 3.43

Alcohol: 12.5%
