From the beautiful Clark family vineyard in Okanagan Falls, a light, refreshing and easy drinking organic Riesling, perfect for the summer.

Estate Grown Biodynamic Grüner Veltliner 2022

Quince, floral notes, celery leaf, yellow apple with a slight white pepper finish.

100% biodynamic grapes from our own estate vineyard, this highly balanced wine celebrates the beauty of biodynamic winemaking. A hint of sweetness perfectly balanced by bright acidity, refreshes the palate and leads to a long, lingering finish.

From our own Esther vineyard in Kaleden, this fruity yet dry organic Cabernet Franc is a great easy drinking smooth red wine.

Organic Cabernet Sauvignon 2020

Cassis, black fruit, sage and black pepper.

The warm Southern Okanagan weather around Osoyoos has shaped this organic Cabernet Sauvignon into a bold full-bodied red with smooth tannins. Beautiful now, but even better cellared for a few years. **British Columbia Wine Awards Top 50 2024!**
